Final result of Project Grand Bidco (UK) Limited's public tender offer for all the shares in Purmo; Project Grand Bidco completes the tender offer and commences a subsequent offer period

Project Grand Bidco (UK) Limited (the "**Offeror**") and Purmo Group Plc (the "**Company**" or "**Purmo**") have on April 26, 2024 entered into a combination agreement, as amended on June 14, 2024, pursuant to which the Offeror has made a voluntary public cash tender offer, recommended by the Board of Directors of Purmo, to acquire all of the issued and outstanding shares in Purmo that are not held by Purmo or any of its subsidiaries (the "**Shares**" or, individually, a "**Share**") (the "**Tender Offer**"). The Offeror has published a tender offer document on May 16, 2024, concerning the Tender Offer, the first supplement to the tender offer document on May 31, 2024, the second supplement to the tender offer document on June 20, 2024, the third supplement to the tender offer document on July 17, 2024 and the fourth supplement to the tender offer document on July 26, 2024 (the tender offer document, as supplemented from time to time, the "**Tender Offer Document**"). The offer period for the Tender Offer commenced on May 17, 2024, at 9:30 a.m. (Finnish time) and expired on July 31, 2024, at 4:00 p.m. (Finnish time).

Certain affiliated funds (the "**Apollo Funds**") of Apollo Global Management, Inc. and its subsidiaries, (together, "**Apollo**") and Rettig Oy Ab ("**Rettig**") form a consortium (the "**Consortium**") for the purposes of the Tender Offer.

According to the final result of the Tender Offer, the 40,341,493 Shares validly tendered and not validly withdrawn in the Tender Offer or which the shareholders of Purmo have otherwise agreed to sell to the Offeror in connection with the Tender Offer, represent approximately 94.53 per cent of all the Shares in the aggregate. As the minimum acceptance condition and all other conditions to completion of the Tender Offer have been satisfied, the Offeror will complete the Tender Offer in accordance with its terms and conditions.

The applicable offer price will be paid to each shareholder of Purmo who has validly accepted the Tender Offer and not validly withdrawn its acceptance in accordance with the terms and conditions of the Tender Offer or otherwise agreed to sell their Shares to the Offeror, on or about August 16, 2024. The offer prices will be paid in accordance with the payment procedures described in the terms and conditions of the Tender Offer. The actual time of receipt of the payment by an individual shareholder will in each case depend on the schedules for payment transactions between financial institutions and agreements between the individual shareholder and their respective account operator, custodian or nominee.

In order to provide also the remaining shareholders of Purmo the possibility to accept the Tender Offer, the Offeror has decided to commence a subsequent offer period in accordance with the terms and conditions of the Tender Offer (the "**Subsequent Offer Period**"). The Subsequent Offer Period will commence on August 5, 2024 at 9:30 a.m. (Finnish time) and expire on August 19, 2024 at 4:00 p.m. (Finnish time). During the Subsequent Offer Period, the Tender Offer can be accepted in accordance with the acceptance procedure described in the terms and conditions of the Tender Offer. All acceptances will be binding and cannot be withdrawn. Further instructions can be obtained from the relevant account operator or asset manager or Nordea Bank Abp. Please note, however, that Nordea Bank Abp will not be engaging in communications relating to the Tender Offer with shareholders located within the United States.

The Offeror will announce the preliminary percentage of the Shares validly tendered during the Subsequent Offer Period on or about August 20, 2024 and the final percentage on or about August 22, 2024. The offer price for the Shares validly tendered during the Subsequent Offer Period will be paid to the shareholders on or about September 9, 2024 in accordance with the payment procedures described in the terms and conditions of the Tender Offer. The actual time of receipt of the payment by an individual shareholder will in each case depend on the schedules for payment transactions between financial institutions and agreements between the individual shareholder and their respective account operator, custodian or nominee.

It is the Offeror's intention to apply for the Shares in Purmo to be delisted from the official list of Nasdaq Helsinki Ltd ("Nasdaq Helsinki"), as soon as permitted and reasonably practicable under the applicable laws and regulations and the rules of Nasdaq Helsinki. As the Offeror's holdings in Purmo will exceed ninety (90) per cent of the Shares and voting rights in Purmo after the settlement of the Tender Offer, the Offeror will commence compulsory redemption proceedings to acquire the remaining Shares in accordance with the Finnish Companies Act (624/2006, as amended).

The Offeror may continue to acquire Shares on or after the date of this stock exchange release in public trading on Nasdaq Helsinki, or otherwise to the extent permitted by applicable laws and regulations.

Information for shareholders of Purmo in the United States

Shareholders of Purmo in the United States are advised that the Shares are not listed on a U.S. securities exchange and that Purmo is not subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and is not required to, and does not, file any reports with the U.S. Securities and Exchange Commission (the “**SEC**”) thereunder.

The Tender Offer is being made for the issued and outstanding shares of Purmo, which is domiciled in Finland, and is subject to Finnish disclosure and procedural requirements. The Tender Offer is made in the United States pursuant to Section 14(e) and Regulation 14E under the Exchange Act, subject to the exemption provided under Rule 14d-1(d) under the Exchange Act, for a Tier II tender offer (the “**Tier II Exemption**”), and otherwise in accordance with the disclosure and procedural requirements of Finnish law, including with respect to the Tender Offer timetable, settlement procedures, withdrawal, waiver of conditions and timing of payments, which are different from those of the United States. In particular, the financial information included in this stock exchange release has been prepared in accordance with applicable accounting standards in Finland, which may not be comparable to the financial statements or financial information of U.S. companies. The Tender Offer is made to Purmo’s shareholders resident in the United States on the same terms and conditions as those made to all other shareholders of Purmo to whom an offer is made. Any informational documents, including this stock exchange release, are being disseminated to U.S. shareholders on a basis comparable to the method that such documents are provided to Purmo’s other shareholders.

As permitted under the Tier II Exemption, the settlement of the Tender Offer is based on the applicable Finnish law provisions, which differ from the settlement procedures customary in the United States, particularly as regards to the time

when payment of the consideration is rendered. The Tender Offer, which is subject to Finnish law, is being made to the U.S. shareholders in accordance with the applicable U.S. securities laws, and applicable exemptions thereunder, in particular the Tier II Exemption. To the extent the Tender Offer is subject to U.S. securities laws, those laws only apply to U.S. shareholders and will not give rise to claims on the part of any other person. U.S. shareholders should consider that the offer prices for the Tender Offer are being paid in EUR and that no adjustment will be made to the offer prices based on any changes in the exchange rate.

To the extent permissible under applicable laws or regulations, the Offeror and its affiliates or its brokers and its brokers' affiliates (acting as agents for the Offeror or its affiliates, as applicable) may from time to time after the date of this stock exchange release and during the pendency of the Tender Offer, and other than pursuant to the Tender Offer, directly or indirectly purchase or arrange to purchase Shares or any securities that are convertible into, exchangeable for or exercisable for Shares. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. To the extent information about such purchases or arrangements to purchase is made public in Finland, such information will be disclosed by means of a press release or other means reasonably calculated to inform U.S. shareholders of Purmo of such information. In addition, the financial advisers to the Offeror may also engage in ordinary course trading activities in securities of Purmo, which may include purchases or arrangements to purchase such securities. To the extent required in Finland, any information about such purchases will be made public in Finland in the manner required by Finnish law.

The receipt of cash pursuant to the Tender Offer by a U.S. holder of Shares may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each holder of Shares is urged to consult an independent professional adviser immediately regarding the tax and other consequences of accepting the Tender Offer.

To the extent the Tender Offer is subject to U.S. securities laws, those laws only apply to U.S. holders of Shares and will not give rise to claims on the part of any other person. It may be difficult for Purmo's shareholders to enforce their rights and any claims they may have arising under the U.S. federal securities laws, since the Offeror and Purmo are located in non-U.S. jurisdictions and some or all of their respective officers and directors may be residents of non-U.S. jurisdictions. Purmo shareholders may not be able to sue the Offeror or Purmo or their respective officers or directors in a non-U.S. court for violations of the U.S. federal securities laws. It may be difficult to compel the Offeror and Purmo and their respective affiliates to subject themselves to a U.S. court's judgment.

NEITHER THE SEC NOR ANY U.S. STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED THE TENDER OFFER, PASSED ANY COMMENTS UPON THE MERITS OR FAIRNESS OF THE TENDER OFFER, PASSED ANY COMMENTS UPON THE ADEQUACY OR COMPLETENESS OF THE TENDER OFFER DOCUMENT OR THE SUPPLEMENT DOCUMENT OR PASSED ANY COMMENTS ON WHETHER THE CONTENT IN THE TENDER OFFER DOCUMENT OR THE SUPPLEMENT DOCUMENT IS CORRECT OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.
